Family

PAY-AND-SAVE, INC. Welcome to Lowe's.

Our Company:

The Pay-and-Save, Inc. Supermarket chain d/b/a LOWE'S has a rich family history that can be traced back to the late 1940's when E.M. "Bud" Lowe started his career by selling candy and sundries with only one truck distributing throughout the town of Littlefield.

The LOWE'S grocery career began in 1964 with the purchase of their first store in Olton, Texas. Bud and his son, Roger, founded the company on the principle of taking care of the community, their teammates, and their family. It is this philosophy that has allowed the company to grow to 147 stores in Texas, New Mexico, Arizona, and Colorado.

In 1973, Bud Lowe passed away and Roger took the reigns to develop the grocery stores into what they are today. Roger's strong belief in God and the importance of family values are the cornerstones of the LOWE'S success.

As his father passed the tradition onto him, Roger is passing the legacy onto Roger Lowe Jr. and Lezlie Lowe. Roger has now become the mentor, advisor and encourager to his family. These teachings along with the younger generation's energy, leadership and counsel have launched LOWE'S into one of the fastest growing supermarket chains in our area.

The entire LOWE'S family is involved and dedicated to ensuring the success of LOWE'S. Roger Lowe Sr. serves as President/Chairman of the Board, Yvette Lowe, Roger Lowe's wife serves as Vice-President; their son, Roger Jr. serves as VP/CEO and their daughter, Lezlie, serves as VP/General Counsel respectively.

The LOWE'S strive to give their teammates the opportunity to grow personally, have good means for providing for themselves and their families, as well as, provide a rewarding career path. The real success of LOWE'S is attributed to our TEAMMATES!

Welcome to the LOWE'S family.

mission statement

a message from...

ROGER LOWE, SR. Chairman/President

We are already in the middle of summer and have just finished celebrating Memorial Day and July 4th. These are two important holidays for us and our Country. We are so blessed to live in this great country and enjoy all the benefits of being a free people and have all the opportunities our great Nation provides. We need to remember and give thanks for all the men and women who have served over the years to keep our Country free. We also need to pray for family members who have lost loved ones in service of our great Nation.

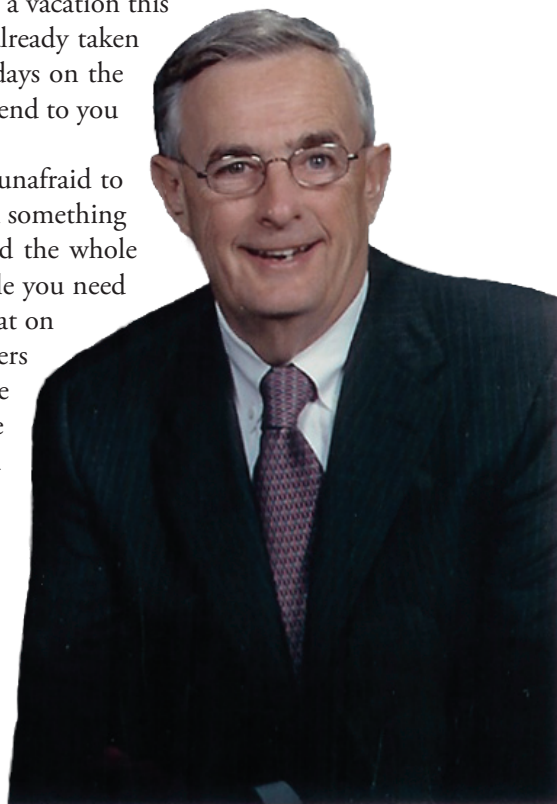

As most of our teammates know, we have been busy during the last few months finishing the transition of the San Antonio and Denver area stores. A few of the things we have accomplished are: (1) We upgraded all Gas sites to Phillips 66. (2) In the process of resigning new stores to Lowe's Market or Lowe's Mercado. (3) We have a new training department with seven trainers covering all our stores. Success ultimately rests on small things, so the better we know how to do our job, the better results we will achieve. (4) We now totally handle all of our help desk (technical problems) from our own help desk. We have a great group of folks working in this department and saving our company a lot of money. (5) We are building a new store in San Diego, Texas #147. (6) We are completely remodeling at #64 Spearman, Texas, and (7) We are completely remodeling #98 Albuquerque, New Mexico. We also have about six remodels scheduled in the next few months. We have replaced several roofs and any other maintenance issues. I decided a long time ago that life is full of challenges, but most not so difficult that we cannot overcome.

I hope all our teammates have a great summer. If you take a vacation this time of year, have fun and spend time with family. I have already taken my own advice and had my whole family together for ten days on the beach. I got a nice tan and played golf, and I would recommend to you to try it.

I will close with a few thoughts: (1) A leader is someone unafraid to take charge and people are better lead than driven. (2) When something goes well, make sure you share the credit down and around the whole organization. (3) To really build your teams and reach people you need to touch them. Always show kindness, a kind word, and a pat on the back for a job well done. (4) Hard work, respect for others is a good example because someone is watching you. I believe if we exercise a few of these thoughts, there is no challenge too great, and no difficulty we cannot overcome. Thank you teammates for all you do. Without you there would be no company!

***God Bless,
Roger Lowe Sr.
Chairman***

TEAMMATES Key to our success

We believe it is important for teammates to be connected with each other and to know what is happening in our other stores. With 147 stores and over 5,000 employees we want each and everyone to know they are an important part to the success and dedication of our company. We care about each and every one of you and the communities that you live in. Here at LOWE'S, we strive to give teammates the opportunity to grow personally, have good means for providing for themselves and their families, as well as, provide a rewarding career path. The real success of LOWE'S is attributed to our TEAMMATES!

ENABLING EDUCATION

Dear Mr. Lowe,

I, Alexandra Ariel Nicole Soria, would like to take the time to thank you for your generosity. I cannot express the gratitude I feel for allowing me to accept your scholarship. These words can only say how much I appreciate your donation, but I will never be able to show you how much this really means to me. This is a blessing and can never be repaid and the only way I can show my gratitude is by saying thank you. Thank you from the bottom of my heart. I will use this scholarship with the intentions to better my future and further my education. This is the first step in knowing that there is something better for me waiting. Thank you for acknowledging me as an individual and for bestowing this blessing upon me. The joy that I have is overflowing because by allowing me to receive this scholarship, I know that the city of Littlefield and its citizens are behind me one hundred percent. I am very humble to the Lowe's Corporation for its kindness and generosity. Once again thank you very much!

Yours truly,

Alexandra Soria

Dear Mr. Lowe,

I would like to personally thank you all for the scholarship you gracefully gave me. It means a lot to me that someone would take their time, money, and effort for me simply by the faith that I'm worth it. The money in itself is a gracious donation, but I believe there is a much deeper level of gratitude to express. For me, personally it comes down to the people behind the scholarship, and the kindness and humility to exhibit each and every year for us seniors. I'm not sure if you as the giver of this kind donation could understand the impact you have made in my life. It is such a good feeling to know that you felt I was worthy for this award. Once again, I would like to exhibit my deepest thanks to you and everyone behind the scenes of this gracious award, It has been a pleasure working for your company, God bless you.

Sincerely,

Joseph Rivas

I would like to take this time to thank you for the scholarship. It means a whole

lot to me, and it will be put to great use. It will be a great help to further my education.

Thank you,

Tracy Huseman

Dear Mr. Lowe,

I'm writing this letter to thank you for the scholarship. With that money I'll be able to buy books that will be needed. I appreciate you picking me as one of the few to receive that scholarship. You've helped me out more than you'll ever know and you'll always be apart of the reason why I will eventually successfully get through college. You have always, through the time I've worked at Lowe's brought me up with only a few words. Thank you for all you have done for me and the other seniors working at Lowe's.

Sincerely,

Zach Bounds

Thank you from the bottom of our hearts, your generous donations and support to the Devine "Friends of Kids" is greatly appreciated. You can be assured that your investment in our youth has made a difference in a child's life. As you know the mission of the Devine "Friends of Kids" is to seek and provide a stable source of funding for the children of Devine, Texas and their Ag projects each year. Thank you for supporting the Amherst Bulldogs. 2011-2012 has been a very successful year. Our football team was a Quarter finalist in the playoffs. The cross Country team had more participants than in several years past and that program is building. The boys' basketball team just missed making the playoffs and our girls' basketball team saw tremendous improvement over the past few years. Right now we are in the middle of track season, with several kids advancing to the Area meet. We just wanted to let you, our football program sponsors, know what your purchase of an ad has helped us do. We have purchased needed things for the athletic program over the past several years that have helped to make our program grow and prosper. It is important for our students to know that the community is behind them and your have shown them that.

Thanks Again,

I truly hope Lowe's recognizes what a true man of character he is for your company and as a friend. You couldn't find a more hardworking, honest, compassionate person.

Dear Lowe's Mercado,

On behalf of the STAR Transitions Program with Denver Public Schools I would like to thank you for your generous gift of the cake to our Community Partner Thank You Celebration. Your commitment to helping foster the successful partnership of education and business in our community is sincerely appreciated

Each year the STAR Transitions Program continues to advance its mission to provide services and programming that prepare students with disabilities for independence in work, life and civic responsibility. Through our programs we have seen many lives changed for the better.

In particular the Community Partner Outreach has enjoyed great success in the past year. We have added a number of local and national businesses to our supporters list and each business provides a different opportunity for students to explore their particular interests in a safe learning environment

The goal of the STAR Transitions Program is to continue to make a difference in the lives of students living with disabilities. With the help of donations from supporters such as you we will continue to be a success

Thanks again for your generous support.

Dear Stinnett Little League Sponsor,

Thank you for your recent donation of \$100 to the Stinnett Little League. We're grateful for our many sponsors and the very generous donations received thus far, this 2012 Season. Your sponsorship has enabled us to purchase quality uniforms and much needed equipment for all age groups. Your contribution provided for necessary building maintenance and repairs, as well as field maintenance and up-keep. Your gift afforded us the opportunity to pay registration fees for those who were not financially able, as well as provided for many other worth-while League needs. We are proud of our organization, and we are excited for what the future holds for our League. Thank you for your willingness to join us in our pursuit to provide a quality youth program - one we can all be proud of! We look forward to partnering with you in the many years to come! Thank YOU!
